OSANO

Make a Positive Impact on Privacy With the Industry's First B-Corp

Certified B Corporation™

Osano is a certified B-Corporation, which means that we **meet the highest standards** of verified social and environmental performance, public transparency, and legal accountability to balance profit and purpose.

Data Privacy & B-Corps

We believe data privacy is a fundamental human right. Being a B-Corp aligns with this by:

- Ensuring we're ethical and transparent with our community, customers, employees, and stakeholders.

- Keeping diversity, equity, and inclusion (DEI) top of mind, as marginalized communities are often the first impacted by data violations.

- Keeping our environmental impact to a minimum, as data minimization helps lessen the harm caused by data storage.

B-Corp Benefits

B-Corps bring their own set of advantages*:

9% — B-Corps are 9% more diverse than ordinary businesses.

8% — B-Corps outperform other businesses by 8%.

67% — of B-Corps screen suppliers based on use of positive social and environmental practices.
